Enforcement of these rules for persons may take the form of any of the following actions, depending on the severity of the misconduct that will be determined by the staff on duty at the time. These disciplinary procedures are merely guidelines. They are not listed in any particular order and there is no requirement that any particular disciplinary action precede any other action. The Library may choose to implement any of the procedures listed, including immediate banishment from the premises and grounds, at any time, depending on the seriousness of the violation.

1. In the case of a minor disruption, the patron receives one warning. At the second offense, the patron must leave the building and grounds for the rest of the day.
2. In the case of any misconduct that, in the judgement of a staff member, is extreme, the offender may be ordered to leave the building and grounds immediately, or the police may be called as appropriate. The amount of time before the patron can return and under what circumstances will be determined by the Library Director.
3. Patrons causing disruptions on repeated visits will be warned by the Library Director or designee that they will not be allowed to enter the building if the behavior continues. Patrons who engage in repeated disruptive behaviors that interfere with others' use of the Library, or who engage in behaviors that violate City Code or State Statutes, may be permanently banned from the Library premises and grounds by the Director. An appeal of the Library Director's decision may be made to the Library Board. An appeal to the Library Board must be in writing.
